

Petition to Repeat Developmental Courses (continued)

Respond to each of the following statements in the space provided or on additional paper, if necessary. Remember to attach all appropriate documentation to support this appeal.

- A. Write a well-organized explanation analyzing the reasons for your current academic performance in developmental coursework completed to date, if you are requesting an additional attempt at a developmental course. If you have not attempted the needed developmental coursework or have taken the needed coursework once, write a well-organized explanation of the reasons the requirements were not completed in two semesters of enrollment.
- B. Given your previous academic performance, if allowed to attempt the developmental course again, what will you now do differently to insure academic success and prevent future developmental holds or dismissals.
